

Oyster Monobloc

Robust and cost effective valve for tablet. The monobloc construction and light weight make the valve extremely user friendly.

All Oyster™ branded sanitary valves are designed according to cGMP standards, for trouble free operation and easy maintenance. The valve design ensures optimal hygienic and functional characteristics and eliminates recesses with hard-to-clean corners. Oyster™ branded valves are manufactured to exacting tolerances and finished to the highest pharmaceutical standards.

APPLICATION TYPE

Shut-off

FEATURES

Atex Certification N.A.

Diameter	DN 150 / 200 – (6”-8”)
WIP	suitable for washing in place
Operation	Hand lever

SPECIFICATIONS
